The purpose of the Junior Classical League is to acquaint Latin students with the Roman culture and civilization.

The J.C.L. members thoroughly enjoyed the annual Roman Banquet, which occurred in April under the excellent supervision of Mrs. Reed. This Banquet is an expression of learning and an outlet for the boredom of mere classroom work, and it allows the members to portray themselves as Romans for a few moments.

The Latin Club meets monthly and enjoys an evening of learning of the Roman customs.
